

Training

Onelink works in conjunction with another division of the House with No Steps – The Training House, who are a Registered Training Organisation (RTO).

National Provider Number 90157

The Training House offer accredited training in the following qualifications:

- Certificate III in Home and Community Care
- Certificate III Disability
- Certificate IV in Disability
- Certificate III in Aged Care
- Diploma of Disability
- Certificate IV in Leisure and Health

Onelink works closely with the RTO in order to provide Recognition of Prior Learning (RPL) for staff in the industry who have extensive experience but no formal qualifications. The Training House are able to recognise skills and experience through an easy to follow RPL application process.

Government funded opportunities may also apply.

Why use Onelink Contract Employment Solutions?

Onelink is a division of House with No Steps, a highly respected provider of support services to the Community Services / Disability Sector since 1962. House with No Steps is a not-for-profit community organisation.

Onelink wants to build on this and assist the community further by brokering qualified staff on a fee for service basis to other service providers and organisations who have a need for suitably qualified and experience short and medium term contract staff.
