

carer respite

Respite Program (Queensland Region)

A range of flexible respite options are currently provided within Queensland (Logan & Doonan) areas for carers of people with a mental illness and/or carers of people with an Intellectual Disability including Autism.

What type of Respite can be provided?

The intent of the Respite Program is to be as flexible as possible in its approach to the carers support and need.

Centre-Based Day Respite including Community Access: Skill development and creative activities at a HWNS centre or other venue/ community group. Service is offered to clients 18+

School Holiday Entertainment Days (SHED) program: Fun and creative activities at the HWNS centre, community activities and camps at Doonan.

Service is offered 12 weeks a year to high school students with a disability.

Overnight & Emergency Respite: Relax and enjoy a range of planned activities on our beautiful 150 acre property at Doonan on the Sunshine Coast. Retreat style accommodation, with wheelchair access. Service is offered to clients 18+
